

Onsite Accommodation List 2026

Points to remember:

The Geodesic Dome, Bryn Helyg, Orchard Yurts (Damson and Wild Garlic) and Derwen are only available from April to mid-October.

The minimum stay is 2 nights, except for the Caban Bach and camping. The cost of a one-night stay for Caban Bach is 2/3's of the cost of a 1-night stay.

- **BYRE COTTAGE:** Booked as one unit and there is a returnable good housekeeping bond of £150. It sleeps 6 people in 2 upstairs bedrooms that can be set up as either a king & single or 3 singles. There are two toilets/showers- one upstairs and one downstairs. Downstairs is an open-plan kitchen diner with lounge and wood burner.
- **16ft YURTS/ Orchard Yurts: Wild Garlic/ Damson:** 8 people in total. These two yurts can be set up as a double & 2 singles in each. Showers and toilets are a short walk away with electric points. Wood burner for heating and new sheep wool insulation. No electricity within the Yurts here. Shared Yurt kitchen & outside under-shelter eating area.
- **16ft YURT/ Derwen:** can be set up as a double & 2 singles. Has electricity. Has an outdoor under-sheltered kitchen, hot shower, and compost loo. It is self-contained. There is a small hot tub for two on the decking here which is available for the entire stay.
- **18ft YURT/Bryn Helyg:** 4 people in either a king & 2x singles OR 4x singles. Wood burner for heating. This has electric points outside in the outdoor/ under-shelter kitchen and a bath hidden in the willow. So, with the compost loo- it is self-contained.
- **CABAN BACH:** 2 people in 1x king size bed. Small kitchen. Compost loo behind. Toilets and showers a short walk away. Electric and heating.
- **HOPSHACK:** 5 people in 2x separate access bedrooms, one with extra single bed & ensuite. Good sized kitchen and sitting area. Electric & Central Heating.
- **DOUBLE DECKER BUS:** 6 people in 2x separate access double bedrooms upstairs, with ensuite toilets and there are two single beds downstairs behind the drivers' cab too. Two showers and a toilet in the bus stop just next door.
- **GEODESIC DOME:** 4 people in the dome, set up as a double & 2 singles. Wood burner for heating. The eco cabin next door has minimal electricity (powered by a solar panel), a shower, toilet, cooking & eating area.
- **CAMPING:** We welcome up to 5 campervans in the flattened hardstanding area beyond our car park with 3 hookups and one hookup accessible in the camping field behind. The camping ground is at the top of the farm. This has 10 mowed pitches within it. Each pitch is pretty big and cars can park within the space. We have a toilet/shower block at the bottom of that field for campers to use as well as wastewater and Elsan facilities.
